

(Revision 2.2 issued 20 July 2012)
2012 J/30 SNE Regional Regatta
Hosted by The Newport Yacht Club
21 – 22 July 2012
Sailing Instructions (SI)

Amendment 1 issued 20 July 2012 (New SI version 2.2) changes the following paragraphs in SI version 2.1: 5.2, 7.0, 10.3, 15.1, 18.1

The SI has been amended to change the primary VHF channel for communications from 72 to 73. It also provides provisions for the channel to be shifted to channel 68 or 72 should there be interference. This change is intended to minimize potential VHF interference between multiple regattas scheduled in the area at the same time.
